### HANDICAPPING SELECTIONS & STRATEGIES

5 - Javelin - Impressive win most recently in Maiden Claimer. Six furlong races were off the pace and could resort back to that style of pace.

1 - Forge - Slow fractions really hurt in most recent. Usually run faster sprinting on grass and he was never able to kick in. Now gets dirt and his running style of sitting off pace might make him dangerous.

6 - Curtis - Impressive wire to wire win in return to the races in most recent. Does have win at this distance. One of three horses in here with multiple wins.

3 - Holding aces - Multiple wins at the distance. Rider change for Englehart to Arroyo. Does have competitive DELTA.

### HANDICAPPING SELECTIONS & STRATEGIES

LQK 4 - News Anchor - Nice works since most recent third place finish against similar.

McGaughy is firing on all cylinders here and Kentucky.

7 - Perfectexpectation - Ran second in first attempt on grass. Could improve with another good trip here. She did have lead in the stretch before being caught.

1 - Now a Factor - Third against similar. Been facing state-bred types in every start. Could improve with added ground as willing to forgive debut at this distance.

5 - Gotham's Storm - Second time for sharp barn. Could see gelding improving in second career start as barn does have a good percentage with second time grass.

#### HANDICAPPING SELECTIONS & STRATEGIES

2 - Clever Royal - Can see a scenario where this gelding is sitting off pace set by Jabber and Hammer in this spot. Could get first run on closers if pace falls apart.

1 - Hey Jabber Jaw - Is the speed of the field, shown ability to fend off challengers. Low DELTA.

5 - Life in Shambles - Question is can gelding make up ground in this spot. Stakes placed, turf to dirt angle.

4 - Hammers Vision - Returns after six months off. Gets class relief in this spot. Won optional claimer three back. Gets hungry rider.

#### HANDICAPPING SELECTIONS & STRATEGIES

LQQK 5 - Culture Carrier - Out ran his odds in maiden claiming debut. Castellano was looking to educate, made up ton of ground late. Takes class rise after Brown saw talent in the afternoons. Might get overlooked here.

8 - Im the Captain Now - Low DELTA in this group. Finished second against similar at the same distance.

1 - Jahaafel - Third against similar. McLaughlin/Shadwell training over at GTC which can prove profitable.

7 - Captain Hardship - Might be that filly wants more distance. Still was late in rallying last out.

 7 - Guick - Win over track in May. Small class drop. Englehart does make a major jockey change. Comes back off the short break.  
 1 - Ten Twenty Nine - Finally gets class relieve in return from six month layoff. Been facing open claimers.  
 2 - Shamrocked - Broke maiden via DQ. Still hasn't proven himself he belongs, DELTA says otherwise.

#### HANDICAPPING SELECTIONS & STRATEGIES

11 - Swayed - Showed he could battle late in most recent. Has six week break. Shown ability to track leaders if not on the lead. Has hot connections.  
 1/1A - Itsinthestars/ Objective Complete - Stars probably the lesser of the two. Still doesn't fit here as DELTA suggests this is a good spot. Objective broke maiden last out. Rosario has ridden well this meet. Casse still struggling at the meet.  
 10 - High Jingo - Second against similar. Beat some of that in here before. Will be in the mix early and holding off challengers.  
 7 - Passportvictory - Second in N2L. Just couldn't hold on at seven furlongs. Positive that he has claimed and rises in class for Cannizzo.

#### HANDICAPPING SELECTIONS & STRATEGIES

10 - Souper Tapit - Two different 3-year old campaigns for Casse trainee. Couldn't make it on Derby Trail and than went to Canada for Queen's Plate prep before heading to the bench. Training well for return across the border.

EXOTIC KEY 6 - No Dozing - Chased home Practical Joke in most recent. Takaful came back to win next out over Belmont dirt track. First time turf, Delacour sharp.

3 - Let's Get Loud - Been training well for return from two month break. First time facing stakes company. Two straight wins and Brown seems to be winning everything.

4 - Dalarna - Rubley is good trainer who chooses spots for his trainees. Nik Juarez under rated jockey who has won on him before. Does have wins on turf course.

#### HANDICAPPING SELECTIONS & STRATEGIES

EXOTIC KEY10 - Robey's Boy - Limited barn gets chance here with gelding. Hamilton knows him well. Been on board for two of three wins. Low DELTA on turf against a tough field. Could get a price.

9 - Yummy Bear - Prior to recent trip, had finished ITM in last two races at this level. Could bounce back with solid effort on the cut back.

2 - Whiskey Seven - Won at this level against state-bred types back in October 2016. Second time off the layoff for Rice.

8 - The Crocheron Kid - Win over the distance on this turf course back in May. Has been at this level for sometime.

**HANDICAPPING SELECTIONS & STRATEGIES**  
**LQOK 8 - Moi** - If this filly replicates the way she works in the morning with her **4 STAR WORK** will make it tough to beat. Lots of talent her for Chad with Irad getting debut call.  
**EXOTIC KEY 6 - Really Proud** - Really believe this one here could be exotic key. Seems to have awakened since debut and could be major player after firing off **4 STAR WORK**.  
**EXOTIC KEY 9 - Special Trip** - More of an education in debut. Was on heels and made up ground late. Could improve. worth a look at a price.  
**4 - Lemoona** - Has been improving in each out. Squeezed start, went wide and still finished with a solid effort in most recent.  
**3 - Moviemaker** - If Casse were winning like he is at Keeneland would like this one a little more. Still think second time and the stretch out could help her improve.

#### **DELTA Fig Key**

**DELTA** followed by 'd' is computed off dirt race when no turf race available

**DELTA** followed by 't' is computed off turf race when no dirt race available

**DELTA** in parenthesis, '( )' is computed off race more than 90 days

**NEW FEATURE: Workmates in the workout report will now be BOLD and ALL CAPS, plus their latest Delta will be added:**

**Roco Rojo (22Δ) working on the turf with Waki Island (26Δ) finished in.....**

**As you read report you will be able to see the class level or current form ability of the ability. Additionally, you can click on the horse name and you will be what we have for the workmate over that time period. Another great feature with your BrunoWiththeWorks**

**Workout Rankings: Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to our clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.**

#### **PEDIGREE DESIGNATIONS**

**Dirt (D)** - Bred to win on dirt; **Good Family Wins (PR3)** - Subject placed within first two starts; OR no 2YO blacktype earners in immediate family; 50% or more of siblings (or dam if less than 3 starters) won/placed in first 2 starts as 2YO/3YO. Sire First Time Winner stats average or better. Sire stats below average, downgrade to PR2; **Heavy Blacktype (CL5)** - Subject is a graded stakes winner; OR there are two or more graded stakes winners or Champion in immediate family; OR Dam is a multiple graded stakes winner or Champion; Champion or multiple graded stakes winners in first two generations; **Heavy Wet (W+)** - Sire line indicates a preference for wet tracks and siblings/dam won in mud; **Hidden Turf (HT)** - Sire was successful on dirt but has a strong turf pedigree (hidden turf or HT).
