- 3 - Timely Tradition** - All her wins are on an off-track at Aqueduct when they still had inner dirt track racing. Big concern is class drop and lack of races since debut. Has back class.
- 1 - Patriotic Endeavor** - Third race off the claim for Rice, gets strong rider in Franco but not normally her main guy. Class drop to half of purchase price is cause for concern.
- 5 - Ritzzy Lass** - Big fade in return off the break. One of the few that sits at same class level, Asmussen does well in second off the claim and Irad normally rides for Rice and ends up here.
- 4 - Smile Big** - Lowest level of career, hasn't shown much form since return to the races and off the claim. Takes big drop in class best races have been here and can see improvement in this spot.

- 3 - Changewilldoyagood** - Cut back from route races and shown earlier in career he won't show nearly as much pace sprinting on turf. Third race off the layoff, shouldn't have issue with distance.
- 8 - Manoffire** - Abreu off to a slow start at the meet. Returns off eight month layoff, should be freshened. Jose climbs on board which is positive.
- 2 - Banana Thief** - Competitive at this level. Asmussen/Irad are starting to be key pairing here. Had traffic issues late in most recent race.
- 6 - Mission Command** - DELTA is competitive in this spot. Gets freshened for Rudy, Castellano won with colt back in October on the grass.

HANDICAPPING SELECTIONS & STRATEGIES

7 - **A Song for Sue** - First time facing maiden claimers. Cut back in distance where her best race occurred in debut. Fourth different rider, could get overlooked with connections.

1 - **Princess Maeve** - Stays at similar level, exits race in which third place runner came back to win next out. Rudy finally getting on track at the meet.

2 - **Reata's Reward** - We thought this filly would run well last out and she didn't like the slop. Second race in return to the races and may have needed it. Could improve with class drop.

8 - **Gentle Annie** - Positive that Sciacca moves her up in class off effort last out. Ran evenly her best start of career last out, this isn't world beater group and could be value play.

HANDICAPPING SELECTIONS & STRATEGIES

5 - **Chubby Star** - Chased Rymaska two back in Commonwealth Oaks. Second race since the layoff, barn thrives being able to get them ready in second race back. Getting Jose isn't going to hurt her chances.

1 - **Dolce Lili** - Rosario is best at reading turf pace. Filly been impressive in her two starts since returning from layoff, don't like her inside post as filly seems to need to be out in the clear to stretch her legs.

2 - **Danceland** - McGaughy is sharp in return from short breaks. Filly is strong going at this distance, eligible to replicate efforts at a mile and sixteenth will be tough to beat.

6 - **Phantom Opening** - Filly could be first to make a run at leader Lion in Wait as she is the most tactical paced horse here. Saez is a bit of an upgrade to Beschizza.

Suggested P6: 3,9 || 8 || 1,5,10,12 || 6,7 || 4 || 10,11

EXOTIC KEY 9 - **Clear N Convincing** - Brown ships in from Monmouth with this gelding. Given short break, Brown on the grass is always strong angle, but him shipping in makes him dangerous in this spot.

3 - **King Orb** - Second in most recent effort. Pletcher had gelding down at Gulfstream up until about a month ago. Improving with each start doesn't get his main guy here though.

10 - **Tiz Morning** - Debut runner for McAllen won't get much of a look with trainer change. Ran well in debut for Vaccarella, stretches out to route. Positive rider switch to Maragh in local bow.

7 - **More Than a Saint** - Will be pace setter in this spot, Velazquez rides here instead of Pletcher entry. Barn does well with three-plus month breaks.

4 - **Assay** - That race on October 28th was incredibly productive. McLaughlin usually needs couple of races for best efforts.

8 - Missle Bomb - In form currently, strong DELTA. Cox/Carmouche nearly unbeatable when paired up. Carmouche is aggressive enough to get gelding on the lead.

2 - Abounding Legacy - Carmouche climbs off to ride Cox entry. Franco good alternative. Following down class ladder, gelding hasn't won since April 2017.

5 - Nominal Dollars - Don't think gelding gets a big pace break down with minimal speed signed up here. Castellano got to know gelding last out could get him a bit closer with the drop.

4 - Rossie Val - Gelding is strong at this distance. Takes another class drop after facing N1X allowance company. Barn usually needs a race for best effort.

10 - Dancetrack - Could get clear sailing from outside post. Pace scenario looks to benefit gelding. First time off the claim and returning off the layoff are strong for barn.

12 - Saratoga Heater - Outside post will benefit gelding. Second against similar, barn does well in return from short layoff. Joel good judge of pace and should be in the clear and out of trouble.

5 - Too Fast To Pass - Gelding likes to win races, shows speed and could carry it on turf. Will have company on front end, DELTA says he fits.

1 - Our Independence - Was improving with each start since prior to claim and layoff. Returns against similar. Loses Saez, Klesaris does well off the claim.

- 4 - Still There** - Filly shown lots of talent in her only two starts of career. Enters with low DELTA in the field. She's our EXOTIC FIRE HORSE and could make it three straight to start her career.
- 5 - Holiday Disguise** - Alvarado won with her earlier in career. Cuts back in distance to where she has won prior.
- 3 - Picco Uno** - Servis strong off the layoff, faced some tough company previously. Barn is sharp right now, value play here.
- 2 - Cozzy Spring** - Second off the layoff for good barn. Davis has the best success with this filly and gets along with her. Big ask trying state-bred stakes company for the second time.

HANDICAPPING SELECTIONS & STRATEGIES

11 - Causforcelebration - Been close in last two efforts. Tries blinkers for the first time, does run well at this track.

10 - Perfectexpectation - Class drop for Maker, barn does well going from straight maiden to maiden claiming. Usually does have horses ready to fire off the layoff.

9 - Ferrad's Party - Gelding shown he likes turf instead of dirt with strong effort in most recent. Gullo gets strong turf rider in Rosario.

1 - Cross Multiply - Behind Causforcelebration in most recent effort. Made late run at this level and surface last out. Positive that Alvarado riding for low percentage barn.

Anyone can access the date, distance, time, and where the time of a particular work falls in relation to others at that distance on that day—our workout analysis is based on years of observations and experience and is the kind of information you won't get anywhere else.

DELTA Figures: DELTA, the fourth letter in the Greek Alphabet and the name of our figure that combines the four handicapping factors that can lead to a winning performance. Three years in the making, the DELTA Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field. DELTA Figs are the latest handicapping tool from Racingwithbruno.

DELTA Fig Key

DELTA followed by 'd' is computed off dirt race when no turf race available

DELTA followed by 't' is computed off turf race when no dirt race available

DELTA in parenthesis, '()' is computed off race more than 90 days

Workout Rankings: Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to our clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.
