HANDICAPPING SELECTIONS & STRATEGIES

5 - Benny Special - Second race off the break for barn that has been on fire this year. Gets Parker on board and stays against **7 - Dr Calahan** - Returns off seven month break off last effort against open company. Last year ran well against starter allowance company over the surface.
4 - Hadda Notion - Usually automatic throw-out for barn but way they have been firing at this track wouldn't come as a surprise. De La Cruz gets back on him and showed some speed with him on board.
1 - Street Gray - Class drop for barn with limited starts this year. Canchari having a strong meet and two of barns three wins have come with him on board.

7	Major Bluff	Parker D L (122)	-	Campbell Donald H	Charles H Deters Charles E Burch And Don	4/19 ★★	15	

HANDICAPPING SELECTIONS & STRATEGIES

1 - Boots - Takes class drop for barn after facing much tougher over at Keeneland. Should take to grass based on pedigree. Eligible to show much more improvement.
2 - Eccentric Warfare - Data Link was strong going a mile on the turf and this one makes debut on it. Maker usually needs a race but sends him this one here for debut with top rider.
5 - Data Breach - Can't ignore turf pedigree. Could come out firing with gelding's speed and small profile barn has been good at winning races.
6 - Confidential - Working well for return, this one use to be in Wesley's barn but private purchase sends him over to Johnson. Fired off **4-STAR-WORK RANKING-OUR VERSION OF THE BULLET WORK** in the morning.

7	Obsolete	Pedroza Marcelino (116)	53	Lauer Michael	Penny S Lauer	4/28 ★★	3/2	

HANDICAPPING SELECTIONS & STRATEGIES

7 - Obsolete - We have liked this filly since seeing here at Oaklawn Park in the mornings. Ran good second last out against similar.
5 - Regal Wildcat - Loses Pedroza for top selection. Win over track and third race off the break for barn who has very small barn.
2 - Willistayorwilligo - Impressive win in the slop. Could get similar circumstances as forecast is for rain. Second career start for barn.
3 - Mi Luna - Another in here who got sloppy track and moved up quite a bit. First time against winner's and weather might benefit her.

8	Del La Hoya	Canchari Alex (118)	-	Chapman James K	James K Chapman	N/A	6	

HANDICAPPING SELECTIONS & STRATEGIES

7 - Bluesky Kitten - Barn usually does a misdirection with a lesser known rider with horse they have ready to fire. Ward brings two in here and Parker is on the other one. Bred for the turf and barn does well with debut runners.

4 - Ruling Empire - Bred to be win on the turf for high profile barn in Ward. Gets Parker for debut.

8 - Del La Hoya - Chapman knows how to score at big odds and Canchari climbs on board off effort going short at Belterra. Dam pedigree says turf and gelding could improve.

6 - Jabba Jaws - Ran third in debut at this track. First time on turf for low profile barn and Sanjur made good decision to ride here full-time this meet.

HANDICAPPING SELECTIONS & STRATEGIES

10 - I Tweet - Working well for return to the track with a **4-STAR-WORK RANKING-OUR VERSION OF THE BULLET WORK**. Barn does well when having horses transferred to barn.

8 - Then Came Caiman - Debut runner for high profile barn. Gets their main guy in this spot and could get overlooked.

6 - Star de Warrior - Improved in second career start, Prescott off to a strong start at the meet and rides first call for barn.

9 - Mystery Unbridled - Returning from extended layoff for small outfit. Positive that Castanon climbs on board for return.

HANDICAPPING SELECTIONS & STRATEGIES

AE12 - Resonate - Disappointed in most recent at Keeneland on muddy surface. Filly might want fast surface or turf as she ran well in debut at Gulfstream at this distance.

10 - Beacon of Light - Debut was good enough to beat these. Moves up in class for barn that can do no wrong at Churchill in the last month.

4 - Sureis - Didn't like off-track and barn has been trying to put her on turf since Saratoga. Cox wins at a high rate and his go-to guy gets the call.

6 - Smoking Hot Kathy - Filly might enjoy surface change to grass. Hartman does well in the midwest, gets high percentage rider and pedigree is all turf.

7 - Tasmania - Takes class rise and cuts back in distance. Tries turf for the first-time and barn does well with limited opportunities.

								4/6 TAM r2 SCR Vet			

HANDICAPPING SELECTIONS & STRATEGIES

4 - Midnight Blvd - Only runs here and this is arguably Granitz's best horse. Filly can flat out run and is always honest, winner of most recent effort came back to win her next out.

6 - Mia Valentina - Best races have been at this track back in 2017. Hammond been off to a slow start and Castanon does well here when given the opportunity.

7 - Charming Verse - Low DELTA, mare can sit off the pace and if pace collapses this one will be in perfect spot.

3 - Accessorizing - Lauer/Pedroza are strong connection. Can't ignore filly that is third off the break and could be good underneath.

HANDICAPPING SELECTIONS & STRATEGIES

- 6 - **Forty West** - Low DELTA, strong debut run and barn usually doesn't have them regress of first race of career.
- 5 - **Gamera** - Strong effort in second start off the layoff. Returns to having blinkers on in third race off the break.
- 1 - **Pleasant Sunrise** - Gets Sanjur off the layoff for barn looking for their first win of the meet. Cuts back off most recent and could be good at a price.
- 4 - **Rectified** - Second career start for low profile barn. Didn't run to 4-STAR-WORK RANKING-OUR VERSION OF THE BULLET WORK. Could improve in second career race.

Indiana Downs Track Information:

Main: 1 mile

Turf: 7 furlongs

Stretch: 1,040 feet

Workouts: For those who want exclusive information, the Racingwithbruno team shakes the bushes at dawn to provide clients with independent, qualitative observations of works at primary tracks where we have boots on the ground. Anyone can access the date, distance, time, and where the time of a particular work falls in relation to others at that distance on that day—our workout analysis is based on years of observations and experience and is the kind of information you won't get anywhere else.

DELTA Figures: DELTA, the fourth letter in the Greek Alphabet and the name of our figure that combines the four handicapping factors that can lead to a winning performance. Three years in the making, the DELTA Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field. DELTA Figs are the latest handicapping tool from Racingwithbruno.

DELTA Fig Key

DELTA followed by 'd' is computed off dirt race when no turf race available

DELTA followed by 't' is computed off turf race when no dirt race available

DELTA in parenthesis, '()' is computed off race more than 90 days

Workout Rankings: Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to our clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.
