HANDICAPPING SELECTIONS & STRATEGIES

- 2 - Crewman - Up and down last few as Poulos tries to find the right spot. Based on his pattern, should have a good out here going short after trying turf last out.
- 5 - Yockeys Warrior - Class drop after taking six months off. Stall does get them ready for best effort off the break. Did win at this distance over strip back in Oct 2016.
- 2 - Wilbo - Return race was over Remington Park strip. Class drop after facing stakes types last out. Lanerie won with a big price Friday.
- 1 - Far Right - Second against similar in June 2017 race. Gets rider change for return. Scouring back in his races he faced some nice three year olds.

HANDICAPPING SELECTIONS & STRATEGIES

- 4 - Clever Serve - Stretch out for Asmussen/Santana. Does well first time off the claim. Could move horse up going route of ground. Won in one turn mile at Churchill Downs.
- 6 - Sneaky Betty - Working okay since most September 17 race. Fact he is facing N2L after breaking maiden is positive as filly may have figured out she needs to be in front at the wire.
- 1/1A - Nancy Doll/ Villa Elena - Murrill has call on both. Jockey won with a Vaschenko's Cartoon on Thursday. Nancy Did run on late in April to finish fourth. Elena looks to be more interested in dirt races.

HANDICAPPING SELECTIONS & STRATEGIES

9 - She's Lovely - Filly was in good form prior to heading to the sidelines in March. Not much in this field to beat, if she reverts to her all-weather races could be long gone.
 1 - Spanish Arch - Won a NBL at Belterra, still has DELTA here to compete. Stephen doesn't ride often but wins at a good percentage and high ROI.
 8 - Chub's Charmer - Goes from turf to dirt. Mawing isn't a bad hand on a horse and Saez is struggling. Hasn't won since June 2017 on an off-track.
 7 - Limerick Lady - Maker/Lanerie make this a must play in exotics. Did win over Indiana Grand dirt strip which is plays to front runners.

6 - Markitoff - Connections have been strong as of late. Ignore Lanerie's win record as he brought home a \$66 winner on Friday. Throw out most recent as colt probably didn't like off track and wants this distance.
 11 - Dreamrider - Working nicely for Casse since move to Keeneland. Fired off a 4 STAR WORK to show gelding is ready for best effort. Second time going a route of ground for sharp barn.
 3 - High Promise - Looks good in the mornings. Followed up second place finish at a mile at Monmouth with third place finish at Belmont. Improving in each start.
 13 - Le Pin - Will need to draw in to be a player. Stretches out, based on pedigree no question distance and turf shouldn't bother him. Could move up on Keeneland turf course.
 9 - Arch Daddy - Can't ignore Mcgaughey currently with way he is training. Barn winning races on the east coast, jockey gets limited tries here.

HANDICAPPING SELECTIONS & STRATEGIES

- 5 - Dustem Carolina - Defeated similar back in May at seven furlongs. Mason off to a slow start. Graham won some big races in the midwest this summer.
 - 4 - Sagara - Followed up Kentucky Downs race with second place finish at Mountaineer. Feel this is a bit of a class rise from most recent. Has run well on dirt going a bit shorter.
 - 7 - Rise Above It - Amoss trains quite a few of Moss's horses. Could improve off fourth place finish on Indiana Grand as track is a merry-go-round. Shown he can be on the lead when asked.

- 1 - Kitty Kat Kate - Ward using little know rider on this filly. Might be ready to fire if trainer continues of having unknown rider on live horses. Check the tote for clues.
 - 12 - Arabella Bella - Liked her move back on October 17 for Yanakov. Valdivia won on her at Arlington at this distance. Filly does act like she has talent and 4 STAR WORK after G1 attempt makes us think she is turning corner.
 - 14 - Oh Zap - Filly will be tough if she draws in for strong connections. Won at first asking and was bet well then.
 - 4 - Malibu Saint - Jose/Maker in second start off short layoff. Did win with Maker's exercise rider two back. Could improve with Jose.

LQQK9 - Rocking the Boat - Two straight wins for Gorder since taking over. Really looks sharp in the mornings firing off 4 STAR WORK on the 14th of October. Win over distance on track that favored horses on the lead and she needed to make up three lengths late.
3 - Icatiro - Liked the move from turf to dirt here. Cox claimed, tested him turf in first out for barn. Didn't get result, has more foundation under with Kentucky Downs race, should improve off that race.
2 - Grand Candy - Won earlier in the meet after getting a race over Kentucky Downs surface. Already paid dividends for Maker/Ramsey after claim. Likes the distance.
5 - Big Squeeze - Was well backed in most recent over CD surface. Competitive DELTA in this spot.

As you read report you will be able to see the class level or current form ability of the ability. Additionally, you can click on the horse name and you will be what we have for the workmate over that time period. Another great feature with your BrunoWiththeWorks

Workout Rankings: Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to our clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.
