### HANDICAPPING SELECTIONS & STRATEGIES

- 1-**Minister's Glory** - fourth straight runner up finish but he went by Wound Tight and the added distance should help him, strong DELTA, saves all the ground, the one to beat again
  - 2- **Clyde's Pride** - was close all the way, started to drift late but got back into it and really tried hard
  - 3-**Celturian** - plenty of room to improve off the debut, didn't have as good a trip as Clyde
  - 4- **Wound Tight** - has to improve on the Minister but he plenty of chance making just his second turf start, tough to exclude
- Suggested PK5: 1 // ALL // 3,4,6 // 1,4,5 // 2,3,4

### HANDICAPPING SELECTIONS & STRATEGIES

- 4- **King of Speed** - training well for Bonde and this barn has struggled as of late with 1sters but are better than those numbers would suggest
- 3-**Data Storm Kitty** - another Bonde debuting runner, this filly faces the boys but she has flashed ability in the mornings, expecting her to come out running
- 5- **Toothless Wonder** - only one with experience in here and that could go a long way

### HANDICAPPING SELECTIONS & STRATEGIES

- 6-**Mraseel** - stretches back out and drops, exits a couple of live races and last time she went long it was a better race than it looks on paper, strong DELTA and she doesn't have to be as far back today
- 4-**Meal Ticket** - powerful winner last out, she has been on the improve for Chew, logical contender
- 3-**Tiny Tina** - was outrun early but really closed well and made up a ton of ground late to finish 3rd, nice setup for the stretch out and she has won sprinting on the lead, versatile

<i>4fStrong final furlong clocked in 12 flat finishing well and galloping out with good energy.</i>						

### HANDICAPPING SELECTIONS & STRATEGIES

- LQK 4-**Diamond of Value** - got the inside shuffle a couple of times in her come back race, really cost her some ground and she would have been at least 2nd with a smooth journey. Now has the race under her, cut back will have her with more late punch and she has a couple of speeds to chase in here, sets up well
  - 5-**Our Slick Chick** - drops into a good spot and fits with these on class, likely launching from off the pace
  - 1-**Vinaka** - inside speed proved she belongs with a group like this, DELTA is strong and the cutback will help
- Suggested PK6: 4,5 // 2,4 // 1,8,9 // 2,3 // 5 // 5

#### HANDICAPPING SELECTIONS & STRATEGIES

**2-Dhafeera** - doesn't face a ton of other early speed in here and she should set the pace and take them as far as she'll go

**4-Siberian Iris** - lone poor try came in a tough stakes race last year, this filly is the one to beat and the DELTA stamps her a top contender

**3- Miss Boom Boom** - ultra consistent over the last few years, she is a good exotics use

#### HANDICAPPING SELECTIONS & STRATEGIES

**LQK 9-Calimonco Action** - the trip will be key for her, she has to try and sit off a few of the early speeds but not too far where she loses touch with the field, DELTA player

**1-Saint Tropez** - inside speed on the drop will be flying early

**8-Baby Brown** - runner up in her debut was a clear cut 2nd and if she shows any improvement she will win this, the other speeds in here could make things difficult on her

**3-Copper Cowgirl** - fast filly hits a career low level and will at least be forwardly placed

#### HANDICAPPING SELECTIONS & STRATEGIES

- 3- **Cute Knows Cute** - toss the turf route, she looks for her 3rd straight, won over this course with a nice tactical trip and Kent D jumps on, lots to like
- 2- **Ahimsa** - finally gets to go 2nd off the bench with a recent race, and that means today should be her best effort yet which is scary for the rest, the one to beat with a strong **DELTA**
- 5- **Sappho** - easy to excuse her last, haven't seen this filly in a while but a nice spot for her to return as she ran well in her lone try down the hill
- 7- **Special Purpose** - Wild Card shipper for Callaghan would be no shock, in some exotics

<i>4fSolo 1/2 mile move going 36-48 flat looking good for Baffert.</i>									

#### HANDICAPPING SELECTIONS & STRATEGIES

- 5- **Marley's Freedom** - she has been very good as of late, and the way this race shapes up she projects to sit a nice trip behind Miss Sunset and Cuyathy battling early, the one to beat, **DELTA** player
- 2- **Classy Tune** - has been defeated by Sunset a few times but if Cuyathy breaks well and pushes Sunset, this filly could be playing a different tune today
- 4- **Miss Sunset** - proved last out she can sit a bit, really tough try in defeat and she is the one to catch and beat but this isn't an easy little field

#### HANDICAPPING SELECTIONS & STRATEGIES

- LQK 5-Data Central** - LEGIT TROUBLE last out and really came closing when he got a seam, now the cutback, great spot for his return off the bench
- 8- **Paddock Pick** - he's had to deal with some nice ones, the slight cutback should help him and if he takes to grass at all he will be right there
- 6- **I Am the Danger** - he debuted in a live race at Los Al and got some action, slow start hurt him but he shows up as a 1st time gelding today and he's a bit sneaky
- 4- **Jimmy Chila** - beaten favorite down the hill last out is a measuring stick type, belongs on some tickets especially in the under spots

**Workouts:** For those who want exclusive information, the Racingwithbruno team shakes the bushes at dawn to provide clients with independent, qualitative observations of works at primary tracks where we have boots on the ground. Anyone can access the date, distance, time, and where the time of a particular work falls in relation to others at that distance on that day—our workout analysis is based on years of observations and experience and is the kind of information you won't get anywhere else.

**DELTA Figures:** DELTA, the fourth letter in the Greek Alphabet and the name of our figure that combines the four handicapping factors that can lead to a winning performance. Three years in the making, the DELTA Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field. DELTA Figs are the latest handicapping tool from Racingwithbruno.

### **DELTA Fig Key**

DELTA followed by 'd' is computed off dirt race when no turf race available

DELTA followed by 't' is computed off turf race when no dirt race available

DELTA in parenthesis, '(' ) is computed off race more than 90 days

**NEW FEATURE: Workmates in the workout report will now be BOLD and ALL CAPS, plus their latest Delta will be added:**

**Roco Rojo (22Δ) working on the turf with Waki Island (26Δ) finished in.....**

As you read report you will be able to see the class level or current form ability figs, Additionally, you can click on the horse name and you will see what we have for the workmate over that time period. Another great feature with your BrunoWiththeWorks

**Workout Rankings:** Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to our clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.
