HANDICAPPING SELECTIONS & STRATEGIES

Suggested .50 cent PS: 1,3,4 || 1,4 || 1,8,9,11 || 1 || 8

LQKQ 1 - Mongolian Empire - Got put up via DQ on the drop back in April, returns now with a cozy inside slot for cage barn.

4 - Dearborn - Only start on dirt resulted in a good 2nd behind a runaway winner earlier this year, and Bonde is off to a quick start this meet.

3 - Super Klaus - Top DELTA entrant, gets back on her preferred footing and has done her best work at this trip.

HANDICAPPING SELECTIONS & STRATEGIES

1 - American Anthem - Multiple graded stakes winner, returns working lights out for Baffert who is as good as there is at bringing them back ready to roll right off the bench.

4 - Flagstaff - Came back running off an 8 month break, winning a salty contest at SA in quick time for that surface. Runner-up in that affair came back and ran a solid 2nd opening day being the talented, King Jack.

2 - American Pastime - Lightly raced 5 yr old, hasn't been seen in almost a year. Owns the top DELTA and has fired fresh before.

HANDICAPPING SELECTIONS & STRATEGIES

11 - Contagion - Run down late last time by the nice colt, Nolde, who just missed in the Oceanside on opening day. Drops in class and O'Neill definitely has him going in the right direction.

8 - Royal Insider - Right there in his last three attempts and was just claimed by a veteran conditioner that does good work first off the purchase.

1 - The Creep - Finds the softest spot he's seen in a quite a while and owns a win at this trip.

9 - Collins Ave - Invades from NY where he's finishing ITM in 5 of 7 lifetime. O'Neill 34% with his first time acquisitions and this one should get a solid early tempo to close into.

6	Dr Dorr	Bejarano R (119)	(28)	Baffert Bob	Natalie J Baffert	7/17 	4

HANDICAPPING SELECTIONS & STRATEGIES

1 - Catalina Cruiser - Gifted animal, has fired in every start but one and has been training better than ever out of his gutsy win off the bench in NY. Rosario ships in for the call and is drawn beautifully inside....formidable favorite will take some beating.

5 - Mongolian Groom - Toss his failed turf attempt last time and you're left with decent tries against some of the best in the handicap division. Good price to use in the underneath slots.

3 - Higher Power - Nifty gate to wire score on the lawn last out, and has plenty of prior dirt form to make him competitive in the exotics. Sadler 22% with this turf/dirt maneuver and wouldn't much of a stretch to see him complete the exacta behind his more heralded stablemate up top.

2 - Core Beliefs - Consistent type, has been working well and adds the shades. Still plenty of upside to this one and is already a multiple stakes winner.

HANDICAPPING SELECTIONS & STRATEGIES

Suggested \$2 P6: 8 || 6 || 2,4,6,7 || 2,3,8,9 || 5,6 || 4,5,8

8 - Blue Moonrise - Tail swisher, has been getting better with each start and just turned in a sensational drill on 7/12 for this. Draws beautifully outside and now gets Prat to take over the controls.

EXOTIC FIRE HORSE 7 - Karmically - Cutting back after a failed route attempt and has always shown potential in the AM. Shirreffs enjoying a stellar 2019 thus far and this one should be used in all underneath slots, at the very least.

6 - First Star - Ellis fired with a similar type with ordinary works at Los Al, and Van Dyke is off to a quick start in his title defense and sees fit to take the call.

3 - Sunny Dale - Has been working very well for her first sprint try and has shown enough zip routing to believe she will be in a good spot when they swing for home.

5f~LADY SUEBEE and NOLO CONTESTO with no blinkers, went in 12.2 24.3 36.1 101.1 out in 115.4 on our watch...Nolo lazily was put to pressure to finish while Suebee did it under a hold outside not asked for much.									
8	Just Grazed Me	Frankoangeles Geovanni (117)	(29d)	Damato Philip	Nick Alexander	6/23 ★★	8		
5f~Got over the training track smoothly and efficiently this morning, coming home on her own.

4f~In blinkers with Garcia up, broke 4 behind an unnamed mate and GYPSY BLUE (Arroyo) for Glatt, loomed up menacingly for home still a couple back, nice kick when asked blowing by mate tail swishing per usual and finishing on even terms with Gypsy who is an older multi-winner and was doing it easily under no pressure....11.4 22.4 47.1 out in 101.1 for Blue who once again sparked this morning.									
10	Kentan Road	Velez Jorge I (118)	24	Sadler John W	Keith Abrahams	7/6 ★★	9/2		
4f~Same act as he's known for, fighting the rider through the first 1/2, then finally dropping his head and finishing OK in a final 1/4 of 26.1...this guy is just fast and can't be restrained early, which he isn't in his races.									

HANDICAPPING SELECTIONS & STRATEGIES

Suggested .50 cent P5: 4,6,7 || 2,4,6,7 || 2,3,8,9 || 6 || 2,4,5,8,10

LQKQ 6 - A Little Bit Me - Gets back to what she does best, turf sprints, and should get a cracking pace up front to close into.

EXOTIC FIRE HORSE 7 - Lady Suebee - Blinkers come off this gal that has been hinting a big effort is on the way in the mornings. Victor sticks and she's finished ITM in 2 of 3 at this trip.

4 - Painting Corners - Owns two wins over this course/distance and she's proven to be effective on of just slightly off the pace.

3 - S Y Sky - Just fires every time, hitting the board in all 13 starts, including 7 victories, and is the obvious one to fear in this spot.

5f--MISS ROMANIA and CLUB ASPEN from the gate, Club inside was much best here and got better as the drill progressed, Miss was quick early and lacked much of a late punch.

HANDICAPPING SELECTIONS & STRATEGIES
Suggested .50 cent P4: 2,4,6,7 || 2,3,8,9 || 4,5,6,8 || 4,5,8
LQKK 6 - Big Returns - Mendez has come out firing with his youngsters this meet and this one sports some quick moves at SA for the unveiling.
EXOTIC FIRE HORSE 7 - Club Aspen - Liked his work on 7/6, well within himself, for a veteran conditioner that had his fair share of youngsters win in the past. Dam has dropped 5 winners from 7 runners.
2 - Fantasy Game - Typical slow Miyadi works for the debut, but he can get them ready off those types of drills. Watch the tote on this Barber homebred.
4 - Side Street Dave - Didn't have the smoothest of journeys in either start thus far and now picks up Bejarano. Both of those heats are turning out to be key and he's an obvious threat in here.

3	Mucho Unusual	Rosario Joel (123)	36	Yakteen Tim	George Krikorian	7/5	7/2

6	Over Emphasize	Quinonez Alonso (118)	33	Mccarthy Michael W	Mel Or Jean Annuzzi	7/15	8		
4f--Got a feel for the course, tugging and never being let out in nothing more than a leg stretcher.

8	Stillwater Cove	Espinosa V (118)	(26)	Ward Wesley A	Marcus Stables Llc	6/30	5/2

9	Maxim Rate	Van Dyke Drayden (123)	40	Callaghan Simon	Slam Dunk Racing Or Branham	7/5	3

10	Kalliniki	Prat Flavien (118)	42	Mccarthy Michael W	Laura A Recachina	6/30	20		
5f--PAKHET and KALLINIKI, Pakhet nice and easy throughout, both coming home their last 3F in 38.3, Kalliniki a bit headstrong early and tired a touch late....Pakhet did the better work.									

HANDICAPPING SELECTIONS & STRATEGIES
EXOTIC FIRE HORSE 2 - Seranitsa - Turned in a better than looked effort in her first start for Drysdale and has come out of there to work very well. Should get a cozy trip right off the speed and the price will certainly be right.
3 - Mucho Unusual - Undeafated in two starts on turf and just seems to be getting better with every start. Gets reunited with Rosario and her drill on 7/5 indicates she's still on the upswing.
9 - Maxim Rate - Cuts back to her favorite trip where she's 2 for 2 at, and she's proven she can be up close and fire or sit back and make one run.
8 - Stillwater Cove - Invades for Ward who has had success with this move in the past and she dealt with a tough trip last time, never really seeing daylight at any point in that race.

SCR Lazy Daisy Gutierrez Mario (120) - O'Neill Doug Tom Mansor 7/12 5

HANDICAPPING SELECTIONS & STRATEGIES
Suggested \$2 Daily Double: 6 || 5
LQKK 6 - Pure Xena - 370k purchase has been flashing ability in her morning preps, professionally sitting and accelerating when asked. Koriner does very well with his debut runners and this gal looks ready to roll first out of the box.
5 - Save the Story - Followed home the impressive, Amalfi Sunrise, in her unveiling last month. Picks up Prat for start #2 and she owns the very important race experience over the top selection.
EXOTIC FIRE HORSE 8 - Tacocat - Has been showing a decent closing kick in his drills and Team Desormeaux is always dangerous with their modestly priced youngsters. Will get better as the distances increase and should in all underneath slots, at the very least.
4 - She's So Special - Miller gets Rosario on this filly with nondescript works at SLR....usually means business. Like the win-early pedigree and the tote will most likely tell the story with this miss.

HANDICAPPING SELECTIONS & STRATEGIES

EXOTIC FIRE HORSE 5 - Battle of Memphis - Invades from KY and makes his first start for Miyadi, who strikes at 19% with his first time acquisitions. Versatile sort, looks to be able to adapt to whatever pace scenario unfolds and the price will be right on this new face.

8 - Inscom - Has finished ITM in 4 of 7 at this trip and was only beaten two lengths in the G2 La Jolla here last year.

4 - Foray - Going great guns right now, ripping off consecutive scores at SA in his last two. Owns the top DELTA and is a must use in his current form.

10 - Overdue - Has been right there in his last three and continues to train forwardly.

2 - Factorial - Nice maiden victory two back and then was fried up front in his most recent. Look for Rosario to carve out a better trip from this inner draw and he's another one that comes in looking good in the AM.

KEY = good chance to win LQQK = very live EXOTIC KEY = to use in Exactas, Tri's & Super's All Races Selections/Analysis is designed to help the player make his or her decision at the window. Selections are not made to be followed blindly but to be a suggestion to supplement the players handicapping. Racingwithbruno strongly recommends for players to handicap and use Racingwithbruno suggestions to assist in wagering decisions.

DELTA Figures: **DELTA**, the fourth letter in the Greek Alphabet and the name of our figure that combines the four handicapping factors that can lead to a winning performance. Three years in the making, the **DELTA** Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field. **DELTA** Figs are the latest handicapping tool from Racingwithbruno.

DELTA Fig Key

DELTA followed by 'd' is computed off dirt race when no turf race available

DELTA followed by 't' is computed off turf race when no dirt race available

DELTA in parenthesis, '()' is computed off race more than 90 days

Workouts: For those who want exclusive information, the Racingwithbruno team shakes the bushes at dawn to provide clients with independent, qualitative observations of works at primary tracks where we have boots on the ground. Anyone can access the date, distance, time, and where the time of a particular work falls in relation to others at that distance on that day—our workout analysis is based on years of observations and experience and is the kind of information you won't get anywhere else.

***RACINGWITHBRUNO BULLET WORK:** Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. **FONT COLOR="RED">THE RACINGWITHBRUNO BULLET WORK** is the two year old that is outworking by time all others of his peers. We match up two-year-olds vs two-year-olds time wise only at 4f or longer works. As the two -year old develop during their two-year-old season we tend to use 5f works and longer for our own brand of Bullet Work.*

***NEW FEATURE:** Workmates in the workout report will now be **BOLD** and **ALL CAPS**, plus their latest Delta will be added:*

*Roco Rojo (22**Δ**) working on the turf with Waki Island (26**Δ**) finished in.....*

As you read report you will be able to see the class level or current form ability of the ability. Additionally, you can click on the horse name and you will be what we have for the workmate over that time period. Another great feature with your BrunoWiththeWorks

***Workout Rankings:** Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to out clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.*

PEDIGREE ANALYSIS

FACTORIAL - C. *The Factor - Aspen Light, by Bernardini* ★★★★★

Sire has 9% winners from FTS. Colt is 3rd foal. Both half siblings needed a few starts to win. Unraced dam is half to Breeders' Futurity (G1) winner GREAT HUNTER. 2nd dam is G3SP (9F) on turf. This is the distaff line of **STELLAR WIND** & G1SW MOR SPIRIT.

PR2 - *Avg Family Wins* - Subject did not place in first two starts; OR no 2YO blacktype earners in immediate family; Less than 50% of siblings, or dam if less than 3 starters, didn't win/place in first 2 starts as 2YO/3YO. Sire First Time Winner stats average or better. Sire stats below average, downgrade to PR1.

CL3 - *Minor Blacktype* - Subject has non-graded stakes earnings; OR there are non-graded stakes placed earners in immediate family; OR dam has blacktype earnings and/or there are multiple blacktype earners in the second or third generation.

SP/M - *Sprint/Miler* - Bred to best as a sprinter/miler (6 furlongs to 1 1/16 miles)

D - *Dirt* - Bred to win on dirt.

HT - *Hidden Turf* - Sire was successful on dirt but has a strong turf pedigree (hidden turf or HT). Thus the offspring should provide value on turf.

U>Contact Us

If you have any questions about these Terms, please contact us at Bruno@racingwithbruno.com. KEY = good chance to win LQQK = very live EXOTIC KEY = to use in Exactas, Tri's & Super's All Races Selections/Analysis is designed to help the player make his or her decision at the window. Selections are not made to be followed blindly but to be a suggestion to supplement the players handicapping. Racingwithbruno strongly recommends for players to handicap and use Racingwithbruno suggestions to assist in wagering decisions.

DELTA Figures: **DELTA**, the fourth letter in the Greek Alphabet and the name of our figure that combines the four handicapping factors that can lead to a winning performance. Three years in the making, the **DELTA** Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field. **DELTA** Figs are the latest handicapping tool from Racingwithbruno.

DELTA Fig Key

DELTA followed by 'd' is computed off dirt race when no turf race available

DELTA followed by 't' is computed off turf race when no dirt race available

DELTA in parenthesis, '()' is computed off race more than 90 days

Workouts: For those who want exclusive information, the Racingwithbruno team shakes the bushes at dawn to provide clients with independent, qualitative observations of works at primary tracks where we have boots on the ground. Anyone can access the date, distance, time, and where the time of a particular work falls in relation to others at that distance on that day—our workout analysis is based on years of observations and experience and is the kind of information you won't get anywhere else.

RACINGWITHBRUNO BULLET WORK: Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. **FONT COLOR="RED">THE RACINGWITHBRUNO BULLET WORK** is the two year old that is outworking by time all others of his peers. We match up two-year-olds vs two-year-olds time wise only at 4f or longer works. As the two -year old develop during their two-year-old season we tend to use 5f works and longer for our own brand of Bullet Work.

NEW FEATURE: Workmates in the workout report will now be **BOLD** and **ALL CAPS**, plus their latest Delta will be added:

Roco Rojo (22**Δ**) working on the turf with Waki Island (26**Δ**) finished in.....

As you read report you will be able to see the class level or current form ability of the ability. Additionally, you can click on the horse name and you will be what we have for the workmate over that time period. Another great feature with your BrunoWiththeWorks

Workout Rankings: Racingwithbruno developed a system for ranking workouts and tested it at the windows, honing the formula through months of trial and error. In the beginning, the rankings were constructed by hand. It was time consuming. Once we developed an algorithm it became a product we could offer to our clients and allowed us to produce rankings for any track across the country. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. I'm not going to give our system away, but the rankings reliably indicate how a horse has been working in relation to its peers at a particular facility.
