3 - **HAPPY TRAILS ((50)Δ)** - Hasn't been seen since a professional debut score here over nine months ago; we've been impressed with her morning activity leading into this comeback attempt and she'll be a square number to kick off the card with.

1 - **HIGH ON GIN (43Δ)** - Dropping to a career-low level and owns a **TOP Three DELTA** based on the best latest effort.

5 - **DEHYDRATION (39Δ)** - Victorious in three of her last four and brings in the **TOP DELTA** for best effort; the obvious one to fear most in here.

HANDICAPPING SELECTIONS & STRATEGIES

2 - **AS TIME GOES BY** - Has been flashing some serious talent in her morning preps and is bred to be a good one; Baffert is the best in the business at having them cranked for their unvellings and this miss is sitting on go.

5 - **LA V** - Freshened up since a useful debut back in June at Santa Anita and has continued to train forwardly since; Prat takes over the controls and runners from this patient outfit tend to get better with racing.

4 - **FLAT OUT JOY ((40)Δ)** - Ran very well in her first three attempts to start her career in early 2019 ad hasn't been seen since; sports a **4-STAR-WORK RANKING OUR VERSION OF THE BULLET WORK** off the Work Rankings leading into this and Ellis has always done well bringing them back off the bench.

7 - **CLASSY RULER ((43)Δ)** - Seemed to tail off a bit in her last two outings and has been given a brief break since; she's fired fresh before and is drawn perfectly out in the clear.

HANDICAPPING SELECTIONS & STRATEGIES

7 - **ROYAL SHIP** - Brazilian import, comes to America riding a five race win streak and has been training strongly for his bow; Mandella has enjoyed plenty of success with these types in the past and Smith sees fit to take the assignment.

4 - **MO FORZA ((22)Δ)** - Freshened up since a dull effort in the G1 Pegasus World Cup Turf back in January; prior to that, he was flying high, having taken down four straight, including the G1 Hollywood Derby over this oval. Another that has been working up a storm and looks ready to roll right off the shelf.

1 - **THE BLACK ALBUM ((31)Δ)** - Price play, is exiting a gritty stakes score at Indiana Grand and will be making his first local outing as a newly minted gelding; Miller strikes at 22% with his first time acquisitions.

3 - **GALILEAN (33Δ)** - Has come back with his running shoes in 2020 thus far, including consecutive victories in the Cal bred stakes coming into this; is versatile enough to be effective from on or off the pace and Rispoli has been riding this course like a wizard this meet.

HANDICAPPING SELECTIONS & STRATEGIES

- 4 - **HEARTFULLOFSTARS (32Δ)** - Posted a flashy score in his most recent and the runner-up came right back to win his next; takes a confident bump up in class and is within 3 points of **TOP Three DELTA** figures in race.
- 9 - **EXPRESS TRAIN ((25Δ))** - Hasn't been seen since checking in 4th in the G1 American Pharoah nearly eleven months ago; working smartly for his return try and is proven over this strip.
- 2 - **JAMMING EDDY (35Δ)** - Has fired in two straight coming in and has proven he can make his presence felt from on or off the pace.
- 8 - **DROP THE CHALUPA (36Δ)** - Can be forgiven for his last two, as he's had trouble at the break; a repeat of his debut victory three back, would put him right there with these.

HANDICAPPING SELECTIONS & STRATEGIES

- 9 - **PERSEVERANCE ((48Δ))** - Freshened up and returning to the sod; shades go on as well and brings in a **TOP Three DELTA** based on the best latest effort.
- 4 - **SILENT MUSKETTIER (51Δ)** - Price play, has valid excuses for his last four subpar efforts; will be a square number to use in all underneath slots, at the very least.
- 7 - **EXETER (49Δ)** - Exiting a solid 2nd vs similar and with another step in the right direction, he'll be posing for pictures this afternoon.
- 10 - **HUGE BIGLY (53Δ)** - Encountered some issues at the break and just ran around there after that; continues to train forwardly and runners from this barn tend to move up with one under their belt.

Workouts: For those who want exclusive information, the Racingwithbruno team provides clients with independent, qualitative observations of works at primary tracks.

Workout Rankings: Racingwithbruno system for ranking workouts and tested it at the windows. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. The rankings reliably indicate how a horse has been working in relation to its peers at a particular facility. FONT COLOR="RED">THE RACINGWITHBRUNO BULLET WORK is the two-year-old that is outworking his peers by time. We match up two-year-olds vs two-year-olds time-wise only at 4f or longer works. As the two-year-olds develop during their season, we tend to use 5f works and longer for our own brand of **Bullet Work**.

DELTA Figures: DELTA, the fourth letter in the Greek Alphabet and the name of our figure that combines four handicapping factors that can lead to a winning performance. Three years in the making, the DELTA Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field.

DELTA Fig Key

DELTA followed by 'd' is computed off dirt race when no turf race is available

DELTA followed by 't' is computed off turf race when no dirt race is available

DELTA in parenthesis, (') is computed off a race more than 90 days prior

Jockey-Trainer-Owner Rankings for each individual circuit are NOW available on your Cheat/Delta Sheet. 4 stars - best, 3 - good, 2 - fair to average, 1 - poor

GoRhythm KEY:

GoRhythm is a Racingwithbruno algorithm that takes into account all of our featured handicapping assets. It assigns points and gives top 3 or 4 selections. It's a great quick synopsis of all the handicapping factors we apply.

'TDLT' => Top delta at same surface '3DLT' => One of the 3 top deltas 'ADLT' => Within 3 points of average top-3 deltas
'4WKC' => Recent 4 star work with comment '4WKN' => Recent 4 star work '3WKC' => Recent 3 star work with comment '3WKN' => Recent 3

 Aug 2 DMR h 47.6s 4f:--**GAMINE (16Δ)** outside of **ECLAIR ((41Δ))** with Gamine starting about a length back on the outside of the speedy Eclair. Gamine was very relaxed and drew even with Éclair at about the 1/8th pole and went on to win the drill by about 3 lengths going away. Gamine ended up getting pressured from the outside by a random solo worker who was all out and neck and neck with Gamine, but she handled it like a pro and continued to work around the turn finishing in 1:12.80 and just doing everything so easily. Éclair was good on the rail finishing a 1/2 mile in 47.60, but just no match for Gamine.

Workouts: For those who want exclusive information, the Racingwithbruno team provides clients with independent, qualitative observations of works at primary tracks.

Workout Rankings: Racingwithbruno system for ranking workouts and tested it at the windows. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. The rankings reliably indicate how a horse has been working in relation to its peers at a particular facility. **FONT COLOR="RED">THE RACINGWITHBRUNO BULLET WORK** is the two-year-old that is outworking his peers by time. We match up two-year-olds vs two-year-olds time-wise only at 4f or longer works. As the two-year-olds develop during their season, we tend to use 5f works and longer for our own brand of **Bullet Work**.

DELTA Figures: **DELTA**, the fourth letter in the Greek Alphabet and the name of our figure that combines four handicapping factors that can lead to a winning performance. Three years in the making, the **DELTA** Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field.

DELTA Fig Key

- DELTA** followed by 'd' is computed off dirt race when no turf race is available
- DELTA** followed by 't' is computed off turf race when no dirt race is available

DELTA in parenthesis, () is computed off a race more than 90 days prior

Jockey-Trainer-Owner Rankings for each individual circuit are NOW available on your Cheat/Delta Sheet. 4 stars - best, 3 - good, 2 - fair to average, 1 - poor

GoRhythm KEY:

GoRhythm is a Racingwithbruno algorithm that takes into account all of our featured handicapping assets. It assigns points and gives top 3 or 4 selections. It's a great quick synopsis of all the handicapping factors we apply.

'TDLT' => Top delta at same surface '3DLT' => One of the 3 top deltas 'ADLT' => Within 3 points of average top-3 deltas

'4WKC' => Recent 4 star work with comment '4WKN' => Recent 4 star work '3WKC' => Recent 3 star work with comment '3WKN' => Recent 3 star work,p> 'JKY' => Jock on Fire 'TRN' => Trainer on Fire

'FIRE' => FireHorse,(Top 3 Delta, Hot Jock or Trainer, is AllStar)
