3-GO BEARS GO - Euro has speed and looked grand on the track on Tuesday. The horse vs super horse PERFECT POWER was strong and that one has been running amok in Europe and has beaten many in this race. Love the Post Position wins at least 15%. John Velazquez on board.

2-KAUFYMAKER (32Δ) - This one has trained well and could be the upsetter for Ward, he took this one back last out and didn't hook Averly Jane. He may get the trip this time. We rated a recent work a 3-STAR-WORK off our morning observations. Third Fastest Closing ZETA Fig (FF3).

8-AVERLY JANE (33Δ) - She needs to be ridden aggressively and looks to have a great shot from this post and her speed. Tyler G can ride anywhere. TOP DELTA for best effort. We rated a recent work a 3-STAR-WORK off our morning observations. Post Position wins less than 10%. Third best Pace ZETA Fig (F3).
 Third Fastest Closing ZETA Fig (FF3).

7-ARMOR - Gets Ryan Moore, who is a neck from being undefeated on him in 3 starts. Another one with PERFECT POWER in his past performances. Ryan will put him in race.

IN CASE OF SCRATCHES or YOUR EXOTICS 1 - TWILIGHT JET - Been knocking heads with GO BEARS GO, ARMOR, and their nemesis PERFECT POWER, he litters their past performances. Post Position wins at least 15%.

6 - HELLO YOU - Beaten by MISE EN SCENE and wasn't that impressive beating CACHET, she wears a lot of equipment, hood, earmuffs, figure eight nose band. Lots of equipment for a Euro.

12 - MALAVATH - She won. cavalry charge and needs to improve, not sure she has proven to be high class.

3 - OVIATT CLASS (38A) - love this guy, reminds me of TEXAS RED, who improved leaps and bounds in the BC Juvenile. This guy finished big last out behind a less than ideal pace and Santa Anita surface that played to speed. He galloped out in front and knowing Kent he schooled him. Ran huge at Del Mar around 2 turns. **TOP Three DELTA** based on the best latest effort. The **Fastest Closing ZETA Fig (FF1)**.

1 - JACK CHRISTOPHER (26A) - What I loved about him is his smarts, and how he listened to his rider and allowed him to let him take back off the pace in the Champagne. We rated a recent work a **3-STAR-WORK** off our morning observations. Post Position wins less than 10%. Top **Pace ZETA Fig (F1)**.

12 - CORNICHE (28A) - He drew horribly, the 12 hole and needs to be sent, one hiccup at the start and he is wide, but push too hard to get the lead and its hard to bring him back. He has a wily veteran on board and that is a positive. I am not rooting for any Bafferts, period. Too short pricewise. **TOP DELTA** for best effort. **4-STAR-WORK** off our morning observations. Second best **Pace ZETA Fig (F2)**. Third **Fastest Closing ZETA Fig (FF3)**.

1 - MODERN GAMES - LOVE THIS COLT - He was impressive in the Somerville Stakes, He finished like he had a ton left in the tank. He is very much along the lines of the late **LINE OF DUTY (36A)**, winner in 2018. He has progressed in every start, very good horse in the making FQLLQW.

2 - ALBAHR - Anytime Dettori takes the call you have to checkmark the horse, Dettori went to Canada, and also rode him at Haydock, Dettori knows him and he is quirky. He edges left when clear. He did break slow in Canada. **TOP DELTA** for best effort. Post Position wins at least 15%.

11 - GRAFTON STREET (71A) - THIS IS serious horse for Casse. He ran a good 2nd behind ALBAHR at Woodbine, as he made the last run and Albahr got the jump on him. Stolen Base	10	9	★★★★★	Attractive colt, well balanced, good walker, turns out left front slightly but overall looked good. Well taken care of at the sale by Ocala Stud. Finished 1/4 mile breeze better than started, usually its other way around. Strong 2nd dam, by Mr Prospector, and has Indian Charlie influence. Like this colt *****

the early pace Delta on the main track. The Turf Zeta figure is a last fraction derived from strictly the last two races on the turf and makes the number, as in the final time Delta fig and Zeta Early Pace fig, the lower the better. Workouts: For those who want exclusive information, the Racingwithbruno team provides clients with independent, qualitative observations of works at primary tracks.

Workout Rankings: Racingwithbruno system for ranking workouts and tested it at the windows. Our rankings rate works on a scale of horses relative to others in their peer group. We don't just look at time, we look at maidens working with maidens versus maidens working with more esteemed company, etc. The rankings reliably indicate how a horse has been working in relation to its peers at a particular facility. **THE RACINGWITHBRUNO BULLET WORK** is the two-year-old that is outworking his peers by time. We match up two-year-olds vs two-year-olds time-wise only at 4f or longer works. As the two-year-olds develop during their season, we tend to use 5f works and longer for our own brand of **Bullet Work**.

DELTA Figures: DELTA, the fourth letter in the Greek Alphabet and the name of our figure that combines four handicapping factors that can lead to a winning performance. Three years in the making, the DELTA Figures are a combination figure that controls for the conditions of today's race. The lower the number the better chance for success in the field.

DELTA Fig Key
